SWIRL II - FREQUENTLY ASKED QUESTIONS

- **When and where is the event?** - Wednesday, June 17, 2009 from 6 pm to 9pm at the Albany Institute of History and Art on 125 Washington Ave, Albany, NY.
- **Why is Alpha Phi Alpha hosting this event?** – The human race is now in competition with HDTV, Facebook and the couch. We believe it is critical to engage person to person and we wanted to host a non-traditional event for a diverse group of professionals.
- **Who will be there?** – Over 200 guests from various generations and professions throughout the Capital District. Your objective for the night is to not only taste various styles of wine, but to also network and meet new people, not sit in your comfort zone with the friends that you came with!
- **What kind of attire should I wear?** – The dress code is business casual. The event is intended for professionals who are coming to our event right after work.
- **Will there be parking?** – Yes. The Albany Institute of History and Art has a free parking lot behind their building on Elk Street. Also, the event will be at 6 pm. Therefore you will not need to pay the parking meter and can park on the street.
- **Will other beverages be offered besides wine?** – Yes. The event is catered by Classe Catering so there will be, *at no additional cost*, beverages for the non alcoholic drinker as well as hors'd oeuvres, fair trade chocolates, and premium cheeses.
- **Will I be able to learn more about wine?** – Absolutely. There will be short, twenty minute workshops conducted throughout the evening by Allan Von Schenkel and Kristen Williams, owners of the recently opened wine store "For Love of Wine" in Crossgates Mall. In these workshops they will describe in detail how wines should look, smell, taste, and finish. They will describe where specific wines come from, how different climates can effect them, and what are good food pairings for each.
- **What are my payment options?** – **Ticket price is \$50.** You can pay directly to individual Brothers by cash or check, or you can pay by credit card right now by using PayPal. Copy and paste the link below into your browser to purchase:
